

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 12, 1996

SUBJECT: **HB 2463 - SB 2911**

This bill, if enacted, will require that each board, commission, or agency which regulates a profession or occupation to notify any applicants in writing of any deficiency in any application, renewal, or retirement of a license, certificate or registration within thirty (30) days of receipt of the application. The notification shall contain what is necessary to correct the deficiency. Further, no citizen or public members of any board, commission or agency shall hold elected office. Members of boards, commissions or agencies shall, at the time of their appointment, live in the state of Tennessee.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures for postage to notify each applicant in writing, since currently applicants are being notified by phone or mail. However, the amount of such increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
